

Franklin County Planning and Zoning Department

Before Planning and Zoning will make a decision regarding your application, ***YOU MUST*** submit your proposal to the Missouri Department of Transportation (MoDOT) for a comprehensive review.

Franklin County is to be copied in on this submittal.

(For work on the MoDOT right-of-way, you will need to secure a permit from the Missouri Department of Transportation)

File Number: _____

Route/Road Affected: _____

To be a part of the file, all comments need to be submitted to Franklin County prior to the below stated date:

Date: _____ Franklin County Contact: Scottie Eagan Email: seagan@franklinmo.net

.....

Information needed to submit to MoDOT:

Submit by e-mail. Email must contain the following information:

- Development name with name, address, and phone number of developer
- Company name, address, and phone number along with name of contact person, if being submitted by consulting engineer
- A plan of the proposed development (*Plan needs to be submitted in a .PDF format*)
 - Location Map*
 - North Arrow
 - Graphic Scale
 - Route/Road Designation
 - Existing Topography
 - Location of existing entrances on each side of proposed development along with the entrances located on the other side of roadway
 - Right-of-way Line
 - Pavement Width and Location (showing centerline)
 - Plan and Profile
 - Contours or Elevations
 - Proposed work on right-of-way and any work on property that might affect the State right-of-way

****Where submittals are not adjacent to the MoDOT roadway, a location map might be sufficient with development plans. The map must provide enough information to ensure the exact location can be determined. However, if additional information is required, a MoDOT representative will contact you.***

Submit to:
Tina Schmitz
Tina.schmitz@modot.mo.gov
(314) 275-1560
