

## A Public Health Preparedness and Response Request

Our role at the Health Department is to protect the general health of all residents and visitors in Franklin County. In response to the emergency preparedness request of the President in 2002, the Franklin County Department of Health is organizing volunteer groups to assist us in Emergencies.

Please call: Jeanette Hale - Regional Planner - 636-583-7310 or email at: <halej1@lpha.mopublic.org>

### **Disaster**

*Any occurrence or potential of a major category III damage, ecological disruption, and loss of human life, deterioration of health or services, sufficient to warrant an extraordinary response from the community.*

The Franklin County Department of Health is requesting assistance from volunteers in the event of a bio-terrorism event or disaster in our Region C. If you are licensed in a particular area or have a particular trade or expertise, you may be vital to the recovery aspect of our community. We appreciate and recognize your role as important key person(s) in our community. Please review the following areas you may provide assistance.

### **Can you provide assistance to help in one of the following areas?**

- Health and medical LPN/RN/Physician
- Office support
- Training for medical services
- Clinic flow/triage/computer support
- Inventory control/dispensing/pharmacy experience
- Counseling/mental health, spiritual support
- Security or traffic control
- Communication interpreter services, (i.e., sign language)
