Presiding Commissioner

Commissioner of 1st District

Commissioner of 2nd District

STATE PLAN OF OPERATION

BETWEEN THE

STATE OF MISSOURI

AND THE

Multi County Narcotics and Violent Crime Enforcement Unit

I. PURPOSE

This State Plan of Operation (SPO) is entered into between the State of Missouri – Department of Public Safety and the above mentioned LEA, to set forth the terms and conditions which will be binding on the parties with respect to excess Department of Defense (DoD) personal property transferred pursuant to 10 USC § 2576a in order to promote the efficient and expeditious transfer of property and to ensure accountability of the same.

In addition, the Missouri Department of Public Safety has adopted a “Missouri LESO Program Policies and Procedures Manual” by which all Missouri law enforcement agencies shall read and agree to follow in order to participate in the Missouri LESO Program. The “Missouri LESO Program Policies and Procedures Manual” is available online at <https://dps.mo.gov/dir/programs/cjle/dod.php>. Any updates to the “Missouri LESO Program Policies and Procedures Manual” will be posted online and all participating law enforcement agencies will be notified, by email, of the release of an updated version.

II. AUTHORITY

The Secretary of Defense is authorized by 10 USC § 2576a to transfer to Federal and State/Territory Law Enforcement Agencies (LEAs), personal property that is excess to the needs of the DoD, including small arms and ammunition, that the Secretary determines is suitable to be used by such agencies in law enforcement activities, with preferences for counter-drug/counter-terrorism or border security activities, under such terms prescribed by the Secretary. The Secretary of Defense has delegated authority for management of this program to the Defense Logistics Agency (DLA). DLA defines law enforcement activities as activities performed by governmental agencies whose primary function is the enforcement of applicable Federal, State/Territory, and Local laws and whose compensated law enforcement officers have powers of arrest and apprehension. This program is known as the Law Enforcement Support Office (LESO) Program and commonly referred to as the “LESO Program” (formally known as the “1033 Program”) and is administered by DLA Disposition Services, LESO.

to administer the Missouri LESO Program. Specifically within the Department of Public Safety, the State Coordinator is the Program Manager of the Criminal Justice/Law Enforcement (CJ/LE) Unit. Once appointed, the CJ/LE Program Manager may choose to name and delegate all or a portion of his/her authority to an authorized State Point of Contact(s).

III. GENERAL TERMS AND CONDITIONS

A. Operational Authority

The Governor of the State of Missouri has designated in writing, with an effective date of July 1993, to implement the LESO Program statewide as well as conduct management and oversight of the LESO Program. Funding / Budgeting to administer the LESO Program is provided by the Edward Byrne Memorial Justice Assistance Grant (JAG).

The provided funding is used to support assistance to the LEAs with customer service to include computer / telephone assistance and physical visits to the LEAs to assist with acquiring access to the LESO Program. The staffing to provide the support to the LEAs within the State of Missouri can be found online at <https://dps.mo.gov/dir/programs/cjle/dod.php>.

The following is the facility / physical location and business hours to provide customer service to those LEAs currently enrolled, as well as interested participants of the LESO Program:

Agency Address / Location:	Missouri Department of Public Safety LESO Program 4720 Scruggs Station Road Jefferson City, MO 65109
Telephone Number:	(573) 526-1930
E-Mail:	MissouriLESO@dps.mo.gov
Fax Number:	(573) 526-1876
Hours of Operation:	Monday to Friday, 8:00 a.m. to 4:30 p.m.

- B. All property is transferred and recipient LEA agrees to accept property on an as-is, where-is basis. The DLA has final authority to determine the type, quantity, and allocation of excess DoD personal property suitable for law enforcement activities.
- C. This agreement creates no entitlement to the State/Territory or LEA to receive excess DoD personal property. DLA retains the right to recall any LESO Program property during the period that it is conditionally transferred.
- D. The IFA understands that property made available under this agreement is for the use of

the LESO Program will not loan, donate, or otherwise provide property to other groups or entities that are not otherwise authorized to participate in the LESO Program. Authorized participating agencies may, with prior approval from the State/Territory, on a temporary basis, conditionally loan property to another participating agency as their mission requires, utilizing an Equipment Custody Receipt (ECR).

(A sample ECR can be found online at <https://dps.mo.gov/dir/programs/cjle/dod.php>.)

Property temporarily loaned will be returned to the LEA responsible for the accountability. All requests for property will be based on bona fide law enforcement requirements.

- E. Controlled property (equipment) includes any property that has a Demilitarization (DEMIL) Code of "B", "C", "D", "E", "F", "G", and "Q3".

To receive such property, on an annual basis the LEA shall certify (Ref: 10 U.S. Code § 2576a):

- 1) That it has obtained the authorization of the relevant local governing body authority (e.g. city council, mayor, county executive, county commissioner, state department director, etc.) to participate in the LESO Program.
- 2) That it has adopted publicly available protocols for the appropriate use of controlled property, the supervision of such use, and the evaluation of the effectiveness of such use, including auditing and accountability policies.
- 3) That it provides annual training to relevant personnel on the maintenance, sustainment, and appropriate use of controlled property.

- F. The LEA will maintain and enforce regulations designed to impose adequate security and accountability measures for controlled property to mitigate the risk of loss or theft.
- G. Upon approval of written requests, cannibalization may be performed by the LEA on approved aircraft, MRAPs/armored vehicles, and High Mobility Multipurpose Wheeled Vehicles (HMMWVs)/Up-Armored HMMWVs. Requests will be submitted in writing to the State/Territory and are subject to approval by the State/Territory and the LESO. The cannibalized end item must be returned to DLA Disposition Services within the allotted timeframes determined by the LESO.
- H. The LESO conditionally transfers all excess DoD property to States/Territories/LEAs enrolled in the LESO Program. Title or ownership of controlled property will remain with the DoD in perpetuity and will not be relinquished to the State/Territory/LEA. When the State/Territory/LEA no longer has a legitimate law enforcement use for controlled property, the LEA must notify the State/Territory and the State/Territory will in turn notify the LESO. The controlled property must either be transferred to another enrolled LEA (via standard transfer process) or returned to DLA Disposition Services for disposal. The LESO reserves the right to recall controlled and non-controlled property issued through the DLA at any time.

I. Property with a DEMIL Code of "A" and "Q" with an Integrity Code of "6" (Q6) is also conditionally transferred to the State/Territory/LEA, yet controlled for one (1) year from the ship date. However, after one (1) year from the ship date, the DLA will relinquish ownership and title to the State/Territory/LEA. Prior to this date, the State/Territory/LEA remains responsible for the accountability and physical control of the item(s), and the LESO Program retains the right to recall the property.

- 1) Property with DEMIL Codes of "A" and "Q6" will be placed in a closed status on the LEA's LESO Program inventory upon meeting the one year mark.
- 2) Once closed, the DEMIL "A" and "Q6" property is no longer subject to the annual inventory requirements and will not be inventoried during a LESO Program Compliance Review (PCR).
- 3) Ownership and title of DEMIL "A" and "Q6" items that have been closed will pass from the DoD to the LEA one year from the ship date, without issuance of any further documentation.
- 4) LEAs receive title and ownership of DEMIL "A" and "Q6" items as governmental entities. Title and ownership of DEMIL "A" and "Q6" property does not pass from DoD to any private individual or LEA official in their private capacity. Accordingly, such property should be maintained by the LEA and ultimately disposed of by the LEA in accordance with provisions in State/Territory and Local laws that govern public property. Sales or gifting of DEMIL "A" and "Q6" property after one year from the ship date in a manner inconsistent with State/Territory or Local law may constitute grounds to deny future participation in the LESO Program.
- 5) An SF 97 form will be provided upon physical transfer for DEMIL "A" and "Q6" vehicles. LEAs are authorized to make upgrades to vehicles during the one (1) year conditional period. Full title to DEMIL "A" and "Q6" property, including vehicles, will vest in the LEA after one (1) year, if all other requirements of this SPO have been met. After the one (1) year period DEMIL "A" and "Q6" items may be transferred, cannibalized for usable parts, sold, donated, or scrapped.

J. LEAs are not authorized to transfer any property on their inventory (e.g. property not in a closed status) without State/Territory and LESO notification and approval. Property will not physically move until the LESO approval process is complete.

K. Certain controlled equipment will have a documented chain of custody (i.e. Equipment Custody Receipt [ECR] or equivalent), including a signature of the recipient officer/deputy. (A sample ECR can be found online at <https://dps.mo.gov/dir/programs/cjle/dod.php>.) Controlled equipment requiring a chain of custody includes: small arms, aircraft, high profile vehicles, optics, robots, and small arm's parts/accessories. It is encouraged to utilize ECRs for all controlled equipment, particularly controlled property issued/assigned to an

L. Sale or transfer of DEMIL Codes “A” or “Q6” property after the one (1) year conditional holding and utilization period to non-LEA participants will be executed in compliance with U.S. Export Control Regulations.

- 1) Excess personal property may be export-controlled, regardless of the assigned DEMIL Code and regardless of the Department or Agency that donates the property.
- 2) DEMIL Codes are not a substitute for export controls. They do not provide information on the export control requirements for an item.
- 3) The Transferee is responsible for complying with U.S. Export Control Laws and Regulations, including the Export Administration Regulations (EAR) (15 CFR Parts 730-774) and the International Traffic in Arms Regulations (ITAR) (22 CFR Parts 120-130).
 - a) This responsibility exists independent of, and is not established or limited by, the information provided in this statement of compliance.
 - b) The responsibility includes, but is not limited to, determining the subsequent transferee’s eligibility to receive such items in accordance with U.S. Export Control Laws and Regulations.
 - c) Information on the EAR and ITAR are at: <https://www.bis.doc.gov/index.php> and <https://www.pmddtc.state.gov/index.html>.
 - d) Tips:
 - i. If Transferee has doubts about which regulation governs control of the item, they may submit a commodity jurisdiction request to the Department of State, Directorate of Defense Trade Controls to determine whether it is subject to the ITAR or EAR. Information on commodity jurisdiction requests can be found at: https://cj.pmddtc.state.gov/cj/docs/CJ-DS4076_Instructions.pdf
 - ii. If Transferee is sure the item is subject to the EAR, but needs help determining the correct Export Control Classification Number (ECCN), they may submit a commodity classification request to the Department of Commerce, Bureau of Industry and Security (BIS). Information on classification requests can be found at: <https://www.bis.doc.gov/index.php/licensing/commerce-control-list-classification/classification-request-guidelines>.
 - iii. For items subject to the EAR: Transferee is cautioned that prior to sale or transfer of items they should be familiar with their

the Department of Commerce List of Parties of Concern (<https://www.bis.doc.gov/index.php/policy-guidance/lists-of-parties-of-concern>) and the transfer/sale complies with the EAR, including 15 CFR Part 736. BIS Export Compliance Guidelines are at: <https://www.bis.doc.gov/index.php/forms-documents/pdfs/1641-ecp/file>.

- 4) The Transferee must notify all subsequent purchasers or Transferees in writing, of their responsibility to comply with U.S. Export Control Laws and Regulations.
- 5) *Definition.* “Export-controlled items,” as used in this statement of compliance, means items subject to the Export Administration Regulations (EAR) (15 CFR Parts 730-774) or the International Traffic in Arms Regulations (ITAR) (22 CFR Parts 120-130). The term includes:
 - a) “Items,” defined in the EAR 15 CFR 772.1. as “commodities”, “software”, and “technology.”
 - b) “Defense Articles, Defense Services, and related Technical Data defined in the ITAR, 22 CFR Part 120.

IV. ENROLLMENT

- A. An LEA will have at least one compensated full-time law enforcement officer in order to enroll and/or receive property via the LESO Program. Only compensated full-time and part-time law enforcement officers are authorized to receive property. Non-compensated reserve officers are not authorized to receive property. (“Compensated” is defined as being paid an hourly or annual salary at a rate no less than the current hourly state minimum wage.) State law enforcement training facilities/academies may be authorized to participate in the LESO Program given the primary function is the training of bona fide State/Territory and Local law enforcement officers. Law Enforcement training facilities/academies will be reviewed and approved for participation on a case-by-case basis via concurrence of DLA Disposition Services, DLA General Counsel, and DLA J349.
- B. Unauthorized Participants. Nongovernmental law enforcement entities such as private railroad police, private security, private academies, correctional departments and prisons, or security police at private schools or colleges. Fire departments, by definition, are ineligible for the LESO Program. LESO Program property may not be requested nor received for unauthorized participants.
- C. The State/Territory shall:
 - 1) Establish and implement the LESO Program eligibility criteria in accordance with 10 USC § 2576a, DLA Instructions and Manuals regarding the LESO Program, the DLA/State Memorandum of Agreement (DLA/State MOA), and

- 2) Receive and process applications for participation from eligible LEAs within their State/Territory.
- 3) Collect originating agency identifier code for all new, reactivation (whether voluntary separation or termination), and otherwise suspicious applications. Originating agency identifier will be coordinated with DLA Office of the Inspector General (OIG) for validation against the Federal Bureau of Investigation's National Crime Information Center database.
- 4) Ensure only authorized "LESO Program Applications" are submitted to LESO for approval. Applications are required by the LESO Standard Operating Procedures (SOP) and the "Missouri LESO Program Policies and Procedures Manual" to be submitted within thirty (30) days of the Chief Law Enforcement Official's, Local Governing Executive Official's, and the State/Territory's approved signature and date.
- 5) Validate the authenticity of the LEAs within their State/Territory that are applying for participation. If the State/Territory forwards an unauthorized participant application, this may result in a formal suspension of the State/Territory.
- 6) Determine the qualifications of a compensated full-time law enforcement officer.
- 7) Have sole discretion to disapprove LEA applications on behalf of the Governor of their State/Territory. The LESO should be notified of any applications disapproved at the State/Territory level. The State/Territory will only forward and recommend/certify LEAs to the LESO that are government agencies whose primary function is the enforcement of applicable Federal, State/Territory, and Local laws and whose compensated officers have the powers of arrest and apprehension. The LESO retains final approval/disapproval authority for all LEA applications forwarded by the States/Territories.
- 8) Ensure LEAs enrolled in the LESO Program update the LEA's account information annually, or as needed. This may require the LEA to submit an updated "LESO Program Application". Updated applications are required to be submitted within thirty (30) days of the change for, but not limited to, the following reasons: change in law enforcement agency name; change in law enforcement agency physical address or other agency information; change in number of compensated full-time or part-time officers; addition, deletion, or other change in property screener and/or Armored Vehicle, Small Arm, or Aircraft Point of Contact; change in Local Governing Executive Official (e.g. Mayor, City Administrator, County Executive, County Commissioner, State Department Director); change in Chief Executive Enforcement Official (e.g. Chief, Sheriff, Director, Colonel, Marshal); or release of a new version of this

- 9) Provide a comprehensive overview of the LESO Program to all LEAs once they are approved for enrollment. This comprehensive overview will be done within thirty (30) days of an LEA receiving the LESO's approval to participate.
- 10) Ensure that screeners of property are employees of the LEA. A screener may only screen property for two Law Enforcement Agencies. Contractors may not conduct screening on behalf of the LEA.
- 11) Ensure at least one person per LEA maintains access to the Federal Excess Property Management Information System (FEPMIS), or current property accounting system. Account holders will be employees of the LEA.

V. ANNUAL INVENTORY REQUIREMENTS

B. Per the DLA Instructions and Manuals regarding the LESO Program, the DLA/State MOA, and this SPO, each State/Territory is required to conduct an annual physical inventory certification of all property on the inventory. Annual inventories start on October 1 of each year and end January 31 of each year.

- 1) DEMIL "A" and "Q6" property records will not be closed during the annual inventory.

C. The State/Territory shall:

- 1) Receive and validate incoming certified inventories and reconcile inventories from the LEAs.
- 2) Ensure LEAs validate and provide serial numbers and photos identified during the annual inventory process for inclusion in the LESO property accounting system for all aircraft, armored vehicles, small arms, and other unique items, as required.
- 3) Certify the annual inventory no later than January 31 of each year as required for continued participation in the LESO Program.
- 4) Suspend a LEA as a result of the LEA's failure to properly submit certified inventories, according to the aforementioned requirements.

D. The LEA shall:

- 1) Complete and certify the annual physical inventory no later than November 30 of each year as required for continued participation in the program.
- 2) Adhere to additional annual certification requirements as identified by the LESO. All inventories and certification statements will be maintained on file

- a) The State requires each LEA to submit certified inventories for their agency by November 30 of each year. The Fiscal Year (FY) is defined as October 1 through September 30 of each year. This gives the LEA two (2) months to physically inventory DLA LESO Program property in their possession and submit their certified inventories to the Missouri LESO Program.
 - b) In addition to the certified inventories, the LESO requires photographs for all High-Profile property identified as aircraft, armored vehicles, small arms, and other unique items as required, received through the LESO Program.
 - i. The LESO requires a side and data plate photo for aircraft and vehicles that are serial number controlled, received through the LESO Program.
 - ii. The LESO requires serial number photos for each small arm received through the LESO Program.
 - c) LEAs that fail to submit the certified annual inventory by November 30 will be suspended from operations within the LESO Program. When a LEA is suspended, a Corrective Action Plan (CAP) will need to be submitted to the State and LESO identifying all actions taken to correct the deficiencies. Further failure to submit the certified annual inventory by December 31 will result in a LEA's termination from the LESO Program.

 - 4) Ensure that an approved current SPO is uploaded in FEPMIS.

**LESO PROGRAM APPLICATION
INSTRUCTIONS**

The Secretary of Defense is authorized by 10 § USC 2576a to transfer to Federal and State/Territory Law Enforcement Agencies (LEAs), personal property that is in excess to the needs of the U.S. Department of Defense (DoD) that the Secretary determines is suitable to be used by such agencies in law enforcement activities, with preferences for counter-drug/counter-terrorism or border security activities, under such terms prescribed by the Secretary.

The Secretary of Defense has delegated authority for management of this program to the Defense Logistics Agency (DLA). DLA defines law enforcement activities as activities performed by governmental agencies whose primary function is the enforcement of applicable Federal, State/Territory, and Local laws and whose compensated law enforcement officers have powers of arrest and apprehension. This program is known as the "Law Enforcement Support Office (LESO) Program" (formerly "1033 Program") and is administered by the DLA Disposition Services, LESO.

LEAs are eligible for the Missouri LESO Program if all the following is met:

1. The department is located within the State of Missouri.
2. The department has a valid ORI # associated with a physical street address within Missouri.
3. The department's primary function is the enforcement of applicable Federal, State, and Local laws.
4. The department's compensated¹ law enforcement officers have powers of arrest and apprehension.
5. The department is recognized by the Missouri State Highway Patrol (MSHP) as a law enforcement agency and by the Department of Public Safety, Peace Officers Standard and Training (POST) Unit as having licensed officers.
6. The department has at least one (1) compensated, full-time law enforcement officer employed by the department. (NOTE: Only compensated full-time and part-time law enforcement officers are authorized to receive property. Non-compensated reserve officers are not authorized to receive property.)

Missouri LEAs who wish to acquire and/or retain LESO Program property must be enrolled and authorized to use the LESO Program. Missouri's "LESO Program Application" consists of the following three (3) documents:

1. Contact Information
2. Law Enforcement Support Office (LESO) Application for Participation / Authorized Screeners Letter
3. State Plan of Operation (SPO)

To ease the paperwork process, reduce duplication of effort, and reduce common errors, data provided on the "Contact Information" form will populate into the "LESO Application for Participation / Authorized Screeners Letter" and the "SPO", but Section 2 of the "LESO Application for Participation / Authorized Screeners Letter" and the "SPO" will require additional attention to fields that didn't populate and/or to obtain physical signatures.

Missouri's "LESO Program Application" is necessary for enrollment of non-participating LEAs (LEAs that have never participated in the LESO Program or LEAs previously terminated/deactivated from the LESO Program).

Missouri's "LESO Program Application" is also necessary in the event information supplied in the LESO Program Application changes during the course of participation in the LESO Program. Such changes include, but are not limited to: 1) change in LEA name, 2) change in LEA physical address or other agency information, 3) change in number of full-time or part-time officers, 4) addition, deletion, or other change in property screener and/or Armored Vehicle, Small Arms, or Aircraft Point of Contact, 5) change in Local Governing Executive Official (e.g. Mayor, City Administrator, County Executive, County Commissioner, Director), 6) change in Chief Law Enforcement Official (e.g. Chief, Sheriff, Director, Colonel, Marshal), or 7) release of a new version of the "SPO". If information supplied in the "LESO Program Application" changes, the LEA must submit, within 30 days of the change, a revised "LESO Program Application".

Once completed, the three (3) required documents, which comprise the "LESO Program Application", must be submitted via one of the following methods to the Missouri LESO Program for review and approval:

NCOA^{Link}® SERVICE PROVIDER REQUIRED TEXT DOCUMENT

C.TRAC Direct is a non-exclusive Licensee of the USPS[®] (United States Postal Service[®]) to provide Limited Service NCOA^{Link}® processing.

It is important to note that not all Service Providers can offer the same level of service. Data quantity differs based on license level. Full Service Providers receive the full 48 month data set while Limited Service Providers receive an 18 month data set. All data fulfillments to Service Providers are provided weekly under direct license from the USPS.

The full NCOA^{Link} file is a consolidated file of move information that on average contains approximately 160 million permanent changes-of-address (COAs) filed with the United States Postal Service (USPS). These COAs are retained on the file for a four-year period from the move-effective date and the file is updated weekly.

Before being added to the NCOA^{Link} file, the **Old** address supplied by the Postal customer must be ZIP + 4[®] coded. The **New** addresses must be ZIP + 4 coded and validated using the USPS' proprietary database of actual delivery points. (NOTE: The delivery point database does not include NAMES or COA information.) Each delivery point confirmed **New** address is included on the NCOA^{Link} file. If unable to validate the **New** address, the NCOA^{Link} process will indicate that a move exists but will not provide the undeliverable **New** address.

New address information is provided only when a match to the input name and address is attained. The typical profile of the **New** address information contained on the NCOA^{Link} file is as follows:

- 89.68% Forwardable moves containing delivery point confirmed **New** addresses –
New address provided
- 1.19% Moves containing unconfirmed **New** addresses – **New** address not
provided

When possible, postal customers who move multiple times within the NCOA^{Link} time period are “linked” or “chained” to ensure that the latest address is furnished when an NCOA^{Link} match is attained. This is not always possible if subsequent COAs are not filed in exactly the same manner as a COA filed previously (e.g., name spelling differences or conflicting secondary information).

The provision of change of address information is controlled by strict name and address matching logic. NCOA^{Link} processing will only provide new address information when queried with a specific algorithm of the name and input address from a mailers address list which matches the information on the NCOA^{Link} Product. Data contained in and information returned by NCOA^{Link} is determined by the name and move type (Business, Individual, or Family) indicated on a Postal customer's Change of Address form.

The data contained within the NCOA^{Link} Product is comprised of approximately 40% family moves, 54% individual moves, and 6% business moves.

All matches made to the NCOA^{Link} file require a ZIP + 4 coded, parsed input address.

NCOA^{Link}® SERVICE PROVIDER REQUIRED TEXT DOCUMENT

The five types of processing modes are Standard (S); Business and Individual (C); Individual (I); Business (B); and Residential (R).

Standard Processing Mode (S)

- Standard Processing Mode requires inquiries in the following order:
 - Business – Match on business name.
 - Individual – Match on first name, middle name, surname and title required. Gender is checked and nickname possibilities are considered.
 - Family – Match on surname only.
- **Under no circumstances shall there be a “Family” match only option.**

Business and Individual Processing Mode (C)

- The NCOA^{Link} customer may choose to omit all “Family” match inquiries and allow only “Individual” and “Business” matches to be acceptable. This matching process is also known as C Processing Mode.

Individual Processing Mode (I)

- The NCOA^{Link} customer may also choose to omit “Business” match inquiries when processing individual names for mailing lists that contain no business addresses.

Business Processing Mode (B)

- The NCOA^{Link} customer may choose to process for only “Business” matches when processing a “Business-to-Business” mailing list which contains no residential (Individual or Family) addresses.

Residential Processing Mode (R)

- The NCOA^{Link} customer may choose to omit “Business” match inquiries and allow only “Individual” and “Family” matches to be acceptable under Residential Processing Mode. This matching process is also known as R Processing Mode.

The USPS has opted to remove soundex from the matching logic process. Consequently, the USPS has established a process called the “Rules Table.” This process will produce matches that otherwise would not be possible, i.e. JOHNY and JOHNNY, without the risks associated with soundex.

All nickname possibilities are derived from a standard USPS nickname list. In considering alternate presentations of an input name, only reasonable derivatives of the original input name are acceptable. If an input name and address do not match to NCOA^{Link} and alternative queries are attempted, any variations which obtain NCOA^{Link} matches will be provided to the NCOA^{Link} customer for analysis.

When a match or a near match of an input name and address to NCOA^{Link} is identified, a standard NCOA^{Link} return code is provided indicating the type of match made or reason that a match could not be made.

The standard output of a USPS NCOA^{Link} process is:

- a) Each original unaltered input name and address as it was presented.

NCOA^{Link}® SERVICE PROVIDER REQUIRED TEXT DOCUMENT

- b) The standardized input address appended with the correct ZIP + 4/DPC, other postal values and any other intelligence flags or footnotes that result from the CASS™ processing segment.
- c) For each mailing address for which there is a match to the NCOA^{Link} Product, a standardized new address with 11-digit Delivery Point Barcode (DPBC) and standard return codes.
- d) When a match is made, the following elements must be returned: the move effective date, the specific name and address utilized in the query that obtained the match, and the move type. The move type is determined by the Interface based on the specific name inquiry utilized to obtain the match.
- e) For each mailing address for which there is not a match to the NCOA^{Link} Product, the Interface shall return all elements as appropriate under items a and b as well as any standard return codes as may be appropriate.
- f) The urbanization name information, when applicable.
- g) The carrier route information for new (updated) addresses.
- h) DPV® results for the input address, if requested.
- i) LACS^{Link}® results, if requested.
- j) Suite^{Link}® results, if requested.
- k) Processing summary report containing information to identify the specific list and the statistics resulting from the NCOA^{Link} process performed on the list.

The presentation of name order is established using a pre-process before querying the NCOA^{Link} database. However, there are no restrictions on using a process to interchange the name order to yield the best possible results using the NCOA^{Link} database. It is ultimately the responsibility of the Mailer Owner working with the Licensee to determine the name order presentation correctly.

Although every record must be returned, the format of the records returned by a Service Provider to their clients is determined by a separate agreement between the processor and the customer.

NCOA^{Link} processing has the potential to reduce returned mail, yet the USPS does not make any guarantees, express or implied, on the reduction of such mail. Thus any costs associated with returned mail are the Licensees' and/or their customers' sole responsibility.

An NCOA^{Link} customer with questions about the specific results returned from an NCOA^{Link} process must first contact the processor for explanation and resolution.

Prior to the processing of NCOA^{Link} data, every customer must have completed and returned to their NCOA^{Link} Licensee the "NCOA^{Link} PROCESSING ACKNOWLEDGEMENT FORM" provided to them by their Licensee or Agent. It is inappropriate to misrepresent any of the information on the form. Punitive action will be taken by the USPS if the customer, agent or licensee is found to have knowingly supplied false information. Depending on the severity of the offense, actions may include litigious or even criminal charges being brought against the offender.

The ANK^{Link}® option is available through Limited Service Provider Licensees to enable mailers to make informed choices regarding a specific customer contact. If the data indicates a move, the mailer may choose to suppress the record from their list or attempt to determine the actual new address by engaging the services of an NCOA^{Link} Full Service Provider (FSP) Licensee.

NCOA^{Link}® SERVICE PROVIDER REQUIRED TEXT DOCUMENT

Mailers choosing to engage the services of an FSP Licensee may submit only those ANK^{Link} matches for which they need additional processing provided that:

- 1) The mailer informs the FSP Licensee that the list is derived from a prior ANK^{Link} process.
- 2) The list submitted to the FSP for processing meets the mailing list requirement of at least 100 unique names and addresses.
- 3) The final results are incorporated back into the original list.
- 4) The records separated for processing are not used to create a derivative product.
