

BRUSH CREEK SEWER DISTRICT
WORKING SESSION
Tuesday, September 22, 2020
MINUTES
10:30 AM

Attendees:

Tim Brinker – Trustee Brush Creek Sewer District
Todd Boland – First District Commissioner
Dave Hinson – Second District Commissioner
Dave Vanleer, Cochran Engineering
Ryan Gates, Cochran Engineering
Jan Shocklee – Brush Creek Secretary

Meeting began at 10:35 a.m. Jan Shocklee provided a copy of past insurance costs dating back to 2006. Tim Brinker started the meeting with a brief discussion on insurance for Brush Creek. The question came up whether or not MOPERM could provide insurance for Brush Creek instead of the current company. Jan Shocklee will contact the Clerk's office to obtain contact information for MOPERM and report back.

Dave Vanleer, Cochran Engineering, gave an update on the SCEAP grant and said that grant is to evaluate storm water runoff and to come up with an improvement plan. Flow meters are in place and they are waiting for rainwater.

Dave Vanleer also stated that he had a phone conversation with East-West Gateway and Bob Hathcock, Alliance Water, yesterday regarding a new facility plan/treatment plant. East-West Gateway showed interest in a new treatment plant.

Working session concluded at 10:40 a.m.

Jan Shocklee, Secretary
