#### II. Building Department Budget Meeting

At 10:00 a.m. discussion was held with Bill Placht, Building Department Director and Susan Scott, Building Department Assistant. Bill explains their department is currently staffing at 3 inspectors and he would like to budget to hire another inspector. The budget will remain the same and a new position will not be approved at this time. Bill explains that staffing issues could have a major impact on his department.

Susan inquires if the County is doing any better. Tammy explains that there has been a consistent deficit over the last 3 years and the trend appears that it will remain the same for the upcoming fiscal year. It was discussed and agreed that it would be beneficial to involve all elected officials and department heads in a budget update/ Q&A session.

Discussion continued regarding the Building Department vehicles. Todd requests for clarification as to why departments can't share county vehicles. Discussion will be held with Tom Copeland, Assessor, to see if that department has any spare vehicles.
