SCOPE OF WORK

This section of the IFB includes requirements as well as desirable attributes and provisions relating specifically to the scope of work requirements of the Franklin County Entity. The contents of this section include mandatory requirements that will be required of the successful bidder and subsequent contractor. The bidder is requested to provide responses to the requirements/desired attributes in this section pursuant to the directions identified herein. The bidder's response, whether responding to a mandatory requirement or a desired attribute, shall be binding in the event the bid is accepted by Franklin County. The bidder must provide all costs necessary to meet the mandatory requirements and the fulfillment of any desirable attributes by the bidder (if any) in the appropriate section of Pricing, page 12 of IFB.

SPECIFIC REQUIREMENTS

1. Contractor must be able to provide Pavement Marking to the requesting departments, which meet or exceed the specifications contained in this document.
2. The Contractor, when awarded contract, must provide properly executed certificates of insurance prior to signing the contract with the Franklin County Commission. Insurance requirements are detailed in Attachment 3.
3. Franklin County, upon receipt of an acceptable Certificate of Insurance and Agreement signed by the party to whom the Contract was awarded, shall within a reasonable period of time sign the Agreement and return to such party an executed duplicate of the Agreement. Franklin County, upon signing the Agreement and within a reasonable period of time shall issue the Notice to Proceed. A written Notice to Proceeds shall be used with each project.
4. Projects shall be located on or along county roads at various locations. A project shall be defined by the road the work is located on.
5. The list of Special Provisions is outlined in Attachment 2.
6. The contractor will be responsible for obtaining all permits required to complete the work as described in the bid documents.
7. Specifications, with MoDOT Sections listed, are from the Missouri Department of Transportation (MoDOT) Standard Specifications for Highway Construction 2017 and will govern the work performed (including testing) where applicable. In all MoDOT Sections, Franklin County Highway Administrator will be substituted for Construction and Materials and the Commission.
8. All hand-held equipment and materials will be considered incidental to the work.
9. If dumping waste, a waste disposal agreement between the property owner and Franklin County Highway Department will need to be filled out and on file at the Franklin County Highway Department Office before removing any waste from the site. Using a known dump or recycler is exempt from this requirement.
10. One (1) week prior to beginning work, the Contractor shall notify the Highway Administrator of the tentative schedule.
11. No work shall be performed between 3:30 pm on Fridays and 7:00 am on Mondays. No work shall be performed between 3:30 pm the day prior to a holiday and 7:00 am the day following a holiday. A list of County observed holidays may be provided upon request.
12. In accordance with the 2009 Manual of Uniform Traffic Control Devices, Section 6D.03 Worker Safety Considerations shall apply. Paragraph 04 contains the standard.
13. The successful bidder will be given the opportunity for future projects at various locations within Franklin County. If overruns to contract amounts are needed, the unit prices established in this contract shall be used.
14. If additional equipment is required, an hourly price will be negotiated and agreed to. If no agreement is reached, the Federal Emergency Management Agency (FEMA) established hourly rates will be used. If the piece of equipment is not listed, the next closest piece of equipment will be used.
15. A 10% retainage will be held for each project, until all work is satisfactorily completed, this includes final paperwork.
16. All invoices must show purchase order numbers, provided by Franklin County, and the total for each purchase order number listed on each project and the total amount for that project. All final paperwork including final payment shall be submitted to the Highway Administrator within 1 month of final written acceptance of each project. After that period, liquidated damages will apply as noted on the Proposal.

CONTRACTUAL TERMS AND CONDITIONS ACKNOWLEDGEMENT

The undersigned Vendor/Contractor has read, understood, and accepted the Terms and Conditions as published in the Vendor Information Packet on the Franklin County Official Website located at:

<http://www.franklinmo.org/bidopps>

All terms and conditions as stated shall be adhered to by Vendor/Contractor upon acceptance of contract. Vendor/Contractor enters into this agreement voluntarily, with full knowledge of its effect.

Note. If the account is in more than one name, see the instructions for line 1 and the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

SPECIAL PROVISIONS

Work Description - This work shall consist of placing paint pavement markings.

This work is a line item project. Line item projects shall be bid to include all personnel, equipment, materials and time required to successfully complete a defined item.

Period of Performance

If the proposal is accepted, the Contractor agrees that the work will not begin before the authorization date in the notice to proceed and will be diligently prosecuted at such rate and in such manner as, in judgment of the engineer, is necessary for the completion of the work within the item specified as follows:

Working Days:	45
Earliest Beginning Date:	April 1, 2018
Contract Ends:	October 30, 2018

Liquidated Damages

The Contractor agrees that, should he fail to complete the work in the time specified or such additional time as may be allowed by the Engineer under the contract, the amount of liquidated damages to be recovered shall be \$100 per working day.

Traffic Control

Traffic Control will be according to the designated diagram from the Manual on Uniform Traffic Control Devices. Traffic Control will be incidental to the project cost.

Pavement Marking Moot Section 620

Paint shall be used for pavement markings according to Section 620.40 Paint for Pavement Marking. Pavement Marking width shall be 4 inches per line.

Painted edge lines shall be 6" from the edge of the pavement surface.

Locations to receive pavement marking shall be cleaned using a mechanical type street sweeper prior to placing pavement markings.

Pavement Marking shall be paid per mile measured to the nearest 1/1000.

ATTACHMENT 2

SPECIAL PROVISIONS - CONTINUED

Retro reflectivity Testing

Contractor shall provide contractor performed / county witnessed retro reflectivity testing. This testing shall be performed randomly at a rate of 1 test per 5 centerline miles of road. Testing locations shall be determined by the Franklin County Public Works Engineer. Deductions will be applied according to MoDOT Section 620. The testing cost shall be incidental to the contract.

Material Reporting

For each road, the Contractor shall supply the Franklin County Public Works Engineer a computer distance measuring tape printout showing the lineal feet of each type of paint, quantity of paint and quantity of beads used per road. A quantity of paint per mile and quantity of beads per mile printout is also acceptable. The cost of producing the printout shall be considered incidental to the contract.

ATTACHMENT 3

INSURANCE REQUIREMENTS

Insurance

The successful bidder must provide properly executed certificates of insurance prior to signing the contract with the Commission.

Worker's Compensation: Equal to or in excess of limits of Worker's Compensation Laws in the State of Missouri.

Liability Insurance: The Contractor shall indemnify and save harmless the County from all suits or action of every name and description brought against the County for or on account of any personal injuries, including accidental or resulting death, or property damages received or claimed to be received or sustained by any persons due to the construction of the work, or by, or in consequence or assigns in safeguarding it, or by, or on account of any act or omission of the Contractor, his employees, agents, or assigns.

The Contractor shall carry adequate public liability and property damage insurance for the joint and several benefits of the contractor and the County with a company licensed to do business in the State of Missouri and satisfactory to the County and in the amount not less than those specified below. The amounts of coverage required are for public liability of the Contractor in protecting the County from damage or injury claims. The County shall have the right to require the contractor to increase any or all such insurance policy limits while the contract work is in progress in the event the County Highway Administrator determines that unusual or special risks revealed by the work so required and in such amounts as the County Highway Administrator may determine to be adequate, and without hereby limits the liability of the Contractor in protecting the County from damage or claim. Franklin County shall be named under General Liability.

The coverage shall insure the County and its officers and employees while acting within the scope of their duties against all claims arising out of or in connection with the work to be performed.

The cost of the insurance shall be included in the prices for the various items of work and no additional payment will be made therefore.

ATTACHMENT 3

INSURANCE REQUIREMENTS - CONTINUED

The minimum acceptable coverage in U.S. dollars is tabulated below:

<u>Coverage Item</u>	<u>Public Liability</u>	<u>Property Damage</u>
Each Person Each Occurrence	\$300,000	\$100,000
Each Accident Each Occurrence	\$500,000	\$300,000
Aggregate Each Occurrence	\$1,000,000	\$500,000

Certificate of Insurance sent to the County as evidence of insurance shall contain the following statements; and in their absence, the Certificate will not be satisfactory to the County.

- a) The insurance evidenced by this certificate cancelled or altered ten (10) days from date of receipt by the County will require written notice thereof.
- b) The insurance evidenced by this certificate expressly includes blanket underground coverage including, but not limited to, injury or destruction of wire, conduit pipes, mains, sewers or other similar property, or any apparatus in connection therewith below the surface of the ground, whether or not such injury is caused by and occurs during the use of mechanical equipment, for the purpose of grading of land, paving, backfilling, excavating or drilling, or to injury to destruction of property at any time resulting therefrom.
- c) The insurance evidenced by this certificate expressly includes personal injury or death by injury to or destruction of any property arising out of blasting or explosion, or the collapse of a structural injury to any buildings or structures due to grading of land, excavation, burrowing filling, backfilling or tunneling.
