WORKING SESSION  
Tuesday, July 14, 2020  
MINUTES  
11:00 AM

**Attendees:**

Tim Brinker – Trustee Brush Creek Sewer District  
Todd Boland – First District Commissioner  
Dave Hinson – Trustee Brush Creek Sewer District  
Mark Piontek – Counselor  
Bob Hancock – Alliance Water Sources  
Ron Smith – Alliance Water Sources  
Terry McDaniel – Alliance Water Sources  
Jan Shocklee – Brush Creek Secretary

Meeting began at 10:55 a.m.

A discussion was held regarding a letter that was received from Robert Jones, City Attorney for the City of Pacific dated June 19, 2020. Along with the letter, a preliminary engineering report drafted by Archer-Elgin was included. The report addresses Lift Station 2 peak flow management and costs associated with upgrading the facilities, which include the Brush Creek interceptor.

After much discussion, it was determined that Mark Piontek will communicate with Robert Jones and request more details and drawings of the proposed facility improvements.

Working session ended at 11:35 a.m.

Jan Shocklee, Secretary
