II. Discussion was held with Nathan Stooke, Wisper Internet regarding the status of broadband opportunities for Franklin County. Wisper Internet will have their website updated to be utilized for public information. Public requests can be referred to Wisper website and fill out an application for a connectivity request. Stooke also requested pin point recommendations from Franklin County for areas that are high priority for connectivity. Public requests can be referred to Wisper website and fill out an application for a connectivity request.

III. Adjournment

Having no further business the meeting adjourned at 10:30 AM.
